- 11.3. The Ethics Officer must not be a member of the Council of Commissioners or an employee of the School Board, in conformity with section 175.1 of the Education Act.
- 11.4. The Ethics Officer must not be a relative of a member of the Council of Commissioners or of an employee of the School Board.
- 11.5. The Council of Commissioners shall also appoint by resolution a Substitute to replace the Ethics Officer if the latter is absent or unable to perform their duties in an expeditious manner. This Substitute must also be a jurist, normally with a minimum of ten (10) years of relevant experience.

11.6. The term of the mandate of the Ethics Officer and of the Substitute is determined by the Council of Commissioners.

12. Filing a Complaint

12.1. A complaint must be related to a breach of one or more of the specific provision(s) of the Code of Ethics and Professional Conduct and must present specific facts in support of the alleged breach.

12.2. The complaint must be submitted in writing and may be filed by any person aware of a breach of the Code of Ethics and Professional Conduct.

12.3. The complaint must be addressed to the Secretary General who will forward it to the Ethics Officer.

13. Procedure

The Ethics Officer shall act in accordance with the principles of procedural fairness with all those involved. To this effect, the following guidelines should be followed:

13.1. The Ethics Officer will acknowledge receipt, in writing, of the complaint to the Complainant and will inform the Complainant of their rights pursuant to paragraph 13.6.7 of this Code of Ethics.

13.2 Subject to the provisions of paragraph 13.6.7 of this Code of Ethics, the Ethics Officer will send a copy of the complaint to the Commissioner concerned.

13.3. Within fifteen (15) days of the receipt of the complaint, the Ethics Officer may determine whether or not the complaint is clearly unfounded or frivolous and whether or not further investigation is necessary.

13.4. If the Ethics Officer decides that the complaint is clearly unfounded or frivolous, the Ethics Officer will state it in a written decision which will be sent to the Secretary General. The Secretary General shall then follow the process established at paragraph 14.3.

13.5. In all other cases, the Ethics Officer will convene, in writing and as per the process established at paragraph 13.6, the Complainant, the Commissioner affected by the complaint, and any other witness the Ethics Officer will deem relevant, in order to determine if the complaint is founded.

13.6. During the investigation:

13.6.1. Each party will be convened separately and in turn.

13.6.2. The Complainant and the Commissioner affected by the complaint may request that the Ethics Officer meet or discuss with certain witnesses; however, it is the prerogative of the Ethics Officer to decide who will be called as a witness.

13.6.3. The Ethics Officer may also meet or have a discussion with any other person who may have relevant information regarding the complaint.

13.6.4. All meetings with the Complainant, the Commissioner affected by the complaint and other witnesses will be conducted at the offices of the Ethics Officer.

13.6.5. The essential facts gathered during each deposition and deemed relevant by the Ethics Officer shall be transcribed and communicated to the witness for confirmation purposes.

13.6.6. The Ethics Officer, if deemed advisable, designates a mechanism to record any testimony but only for the purposes of facilitating the note taking of the pertinent facts. The actual recording of any testimony will not be disclosed to anyone, unless forced to do so by a court order or if the witness concerned authorizes the Ethics Officer to do so.

13.6.7. The Ethics Officer may decide to hold confidential the identity of a witness, including the Complainant, upon request from any of them. Depending on the circumstances and the facts exposed, the Ethics Officer will decide if it is appropriate to keep the name of that person confidential; however, the Ethics Officer shall inform the witness of the decision before communicating the witness' identity to anyone in order to allow the witness to refuse said communication and to withdraw their testimony.

13.6.8. A summary of the facts gathered during any of the processes indicated above, and that the Ethics Officer deems relevant, will be communicated to the Commissioner concerned in order to give the Commissioner an opportunity to understand and reply.

13.7. Once the parties and witnesses have been heard, the Ethics Officer will render a decision in writing stating the reasons as to whether there has been an infraction to the Code of Ethics and Professional Conduct; and if so, the Ethics Officer will determine the appropriate penalty, the whole as provided for under paragraph 14.1 of this Code.

14. Decision

14.1. Following the investigation, the Ethics Officer will decide whether or not the Code of Ethics and Professional Conduct was breached. If so, the Ethics Officer will select one or more measure(s) amongst the following:

14.1.1. A written reprimand, accompanied or not by a request for an apology;

14.1.2. The suspension or revocation of the right to sit on School Board committees except the right to participate in the public meetings of the Executive Committee and the Council of Commissioners;

14.1.3. The suspension of the Commissioner's remuneration up to a maximum of 6 months;

14.1.4. A recommendation to the Council of Commissioners that an action to declare the Commissioner disqualified be initiated in accordance with section 176 of the Education Act and section 308 of the Act Respecting Elections and Referendums in Municipalities.

14.2. The Ethics Officer shall send their complete decision to the Secretary General and the Commissioner affected by the complaint.

14.3. The Secretary General shall forward the decision to the Complainant and to all Commissioners and, in cases where the Ethics Officer concludes that the Code of Ethics and Professional Conduct was breached, the decision and the name of the sanctioned Commissioner shall be presented in public within 45 days.

14.4. The communication of the decision to the Commissioners, the Complainant and to the public shall be made in accordance with the *Act respecting Access to documents held by public bodies and the Protection of personal information*, and in particular, in compliance with the obligation to ensure the confidentiality of the personal information contained in the decision.

ADDENDUM B

Solemn Affirmation to Respect Confidentiality

The Council of Commissioners hereinafter referred to as “The Council” is charged by law with the responsibility of administering (section 143 of the Education Act) the Lester B. Pearson School Board. This is a heavy responsibility, but one that is shared and conducted as a group, not as individuals. In order to carry out this role, the Council has created a number of working committees, including a caucus of all Commissioners and senior management. In the course of conducting its affairs, the Council members are privy to a wide range of information and documentation, often shared in a confidential and private (non-public) setting.

Each Commissioner of the Council shares the same access to, and responsibility for, confidential and nominative information which is necessary to oversee the operations, actions, and personnel under the day-to-day control of the Board management.

If the majority of members of the Council believe that an individual Commissioner has failed to respect confidentiality, then the person responsible for the enforcement of the Code of Ethics can impose sanctions as stated in the Code of Ethics and Professional Conduct (Code of Ethics). As well, the entire Board is governed by By-law 3 which confers upon the the person designated as Person in Charge of Access to Documents and of the Protection of Personal Information for the Lester B. Pearson School Board the Powers and Authority in Respect to the Act Respecting Access to Documents held by Public Bodies and the Protection of Personal Information. Legal action can be taken against any individual should such protection be breached.

Within this context, the members of the Council solemnly affirm their commitment to confidentiality, following both the spirit and the letter of the law, but also out of respect for their peers.

I, _____ the undersigned Commissioner, solemnly affirm that I will not divulge any confidential information such as:

- Discussions in caucus or the non-public parts of workshops, committee or other meetings which I attend in the course of my role as Commissioner;
- Confidential information (so identified) provided as part of, or appended to, meeting agendas, kits or packages of documentation;
- Any discussion, any document, or any personal, student or personnel information relating to affairs of the LBPSB that must not be disclosed by virtue of the provisions of the Act Respecting Access to Documents held by Public Bodies and the Protection of Personal Information.

If not certain about the level of confidentiality of specific information or documentation that is protected by legislation, I will verify same with the Person in Charge of Access to Documents and of the Protection of Personal Information **and** with the Chair of Council or Director General of the School Board.

If I am uncertain about the consequence of public disclosure of any information shared among the members of the Council in confidence, I shall verify with the Chair of the School Board the appropriateness of such disclosure.
