June 22, 2021

Dear parent/guardian,

The last day of classes at all elementary and secondary schools is June 23rd. Despite the closure of schools, Regional Health Authorities have asked for our help in continuing to report positive COVID cases. This email is to inform you of the COVID reporting procedures heading into the summer.

The responsibility to report a positive result to the school principal via email will remain in effect until Wednesday, June 30th. Any positive COVID-19 tests that are received between July 1st and July 6th can be reported through your Mozaik Portail account. There will be a link to report once you login. As of July 7th we are not required to follow cases related to school.

The Quebec government has reported a significant decrease in positive COVID cases and the provincial vaccination campaign is in full swing. We must continue to do our part in preventing the spread of the virus.

Thank you in advance for your collaboration.

The Lester B. Pearson Administration
