I realize that the current situation regarding the ongoing spread of COVID-19 is a cause of concern for all members of our community including parents, students and staff. Dealing with the ongoing public health protocols resulting from COVID-19 has been an ongoing challenge throughout the pandemic. I would like to take this opportunity to thank the entire Lester B. Pearson community for your understanding and collaboration over the months as we continue to do everything possible to ensure everyone's health and safety.

I hope you find time to relax over the break and spend quality time with your families, friends and loved ones.

I wish everyone a joyful, restful and safe holiday!
