

# LBPSB Summer Program 2023 for Secondary 1

Summer Program Head Office

Open for inquiries from: June 26th, 2023 to August 7th, 2023

Office Hours: 8:30 am to 12:30 pm

## Summer Program Centre

Pierrefonds Community High School

13800 Pierrefonds Blvd

Pierrefonds, Quebec.

H9A 1A7

(514) 457-5270

**No in person registration - Registration only available online**

(Please see calendar, below)

<https://portailparents.ca/accueil/en/>  
**How to access Summer School Registration**

**Important Notice: Online Summer School classes for Secondary 1 students are only available for LBPSB students.**

**No late registration will be accepted**

### Requirements and considerations

The LBPSB Summer School Program 2023 is offered online. Students who would like to participate in the summer program must:

- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

\*\*Students may only register for a summer course with a failing grade, a minimum grade of 45% and with permission from their home school.\*\*

## Secondary I Courses

### Course Fees

English Language Arts (632-106) .....\$185.00

French Second Language (634-106) .....\$185.00

Mathematics (563-126) .....\$185.00

Students will be allowed to register for a maximum of two courses. Courses will only be offered where numbers warrant it. Class schedules are divided into two sections, **8:30-10:20 am** and **10:30-12:20 pm**. Exams/evaluations will take place during the 2-week course.

### Absences

Summer school classes are designed to maximize the amount of time available to cover as much of the necessary curriculum. It is important that students attend all classes. A medical note may be needed after the first absence. *After three absences, a student will automatically fail the course and will be removed from summer school. Attendance is taken daily* and phone calls are made home for any students not logged on.

### Course Fees

Course fees reflect program duration and number of exams. No refunds will be awarded after the 1st day of classes.

### IEP

Should your child have an IEP, please email a copy (from the current year) of the document to [summerschool@lbpearson.ca](mailto:summerschool@lbpearson.ca) before their first class.

■ Online classes

■ \*MEQ Exams

#### Eligibility

Secondary 4 students may register for a summer course as long as that course appears on their MEQ Achievement Record. Students will be allowed to register for up to 2 courses.

#### Courses

Courses will only be offered where numbers warrant it. Class schedules are divided into two sections, 8:30-10:20 am and 10:30-12:20 pm. Attendance is taken daily.

#### Course Fees

Course fees reflect program duration and number of exams. No refunds will be awarded after the 1st day of classes.

#### IEP

Should your child have an IEP, please email a copy (from the current year) of the document to [summerschool@lbpearson.ca](mailto:summerschool@lbpearson.ca) before their first class

#### LBPSB Summer Program 2023

Students and parents should be aware that there is not sufficient time to cover all course content during the Summer Program session. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the evaluations. Successful completion of any course does not guarantee placement for the subsequent school year. **This decision rests with the student's home school administration.**

[How to access Summer School Registration](#)

**Important Notice: Permission to register for the Bridge Programs must be authorized by the student's home school and only available to LBPSB students.**

**Registration will take place on June 27-28-29, 2023.**

## Requirements and considerations

**Students enrolled in the LBPSB Summer Enrichment Program 2023 must:**

- Attend all classes.
- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

## LBPSB Math Enrichment Summer Program 2023

Students and parents should be aware that there is not sufficient time to cover all course content during the Summer Program session. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the evaluations. It is important that students attend all classes. Attendance is taken daily and phone calls are made home. Successful completion of any course does not guarantee placement for the subsequent school year. **This decision rests with the student's home school administration.**

### Math Bridge Program

**Options:** Math Bridge CST to T&S OR Math Bridge CST to SN

#### Eligibility:

- Students must have successfully completed Sec. 4 Math CST during the school year.
- Must be a grade 10 student at LBPSB.
- Students must have approval from their school principal.

#### Program & Exam Schedule:

- The Math Bridge program will run for 3 weeks - from **July 3rd, through July 21st, 2023.**
- Students in either course will write the Situational Problem (C1) during class time and the **Reasoning (C2) exam will take place on Thursday, July 27th, 2023 from 9:00am to 12:00pm in person at Pierrefonds Community High School.**

#### Cost:

3-week tutorial (\$210) + 2 exams (\$45+\$45) = **\$300.00**

### Math Bridge Program 3-week Course CST to T&S or CST to SN

June - July 2023
