Dear parents,

As we begin the last month of school, please be reminded that June temperatures can become uncomfortably high.

Schools have protocols in place to ensure the health and improve comfort of students during periods of extreme heat. In addition to these protocols, we recommend the following for all students:

- Bring a water bottle and keep hydrated throughout the day
- Wear loose, lightweight and light coloured clothing and bring a sunhat
- Apprise school of any specific medical condition which may be exacerbated by extreme heat. Inform school if electing to keep children at home due to extreme weather

Also, please take note that the last day of school for elementary school students is June 21. This will be a modified day for all students. Schools will share detailed times with their community. Daycare services, for those who register, will close at 4:00pm.

Thank you for your cooperation.

The administration of the Lester B. Pearson School Board
