Summer Program Centre

Macdonald High School

17 Rue Maple

Ste Anne De Bellevue, Quebec.

H9X 2E5

(514) 457-5270

Important Notice: Permission to register for the Bridge Programs must be authorized by the student's home school and only available to Secondary 4 LBPSB students.

Registration will take place on July 2-3-4, 2025.

Requirements and considerations

Students enrolled in the LBPSB Summer Enrichment Program 2025 must:

- Attend all classes.
- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

LBPSB Math Enrichment Summer Program 2025

Students and parents should be aware that there is not sufficient time to cover all course content during the Summer Program session. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the evaluations. It is important that students attend all classes. Attendance is taken daily and phone calls are made home. Successful completion of the course does not guarantee placement for the subsequent school year. **This decision rests with the student's home school administration.** Grade achieved will be reflected on MEQ Achievement Record.

Math Bridge Program

Options: Math Bridge CST to T&S OR Math Bridge CST to SN

Eligibility:

- Students must have successfully completed Sec. 4 Math CST during the school year.
- Must be a secondary 4 student at LBPSB.
- Students must have approval from their school principal.

Program & Exam Schedule:

- The Math Bridge program will run for 3 weeks - from **July 7th, through July 25th, 2025.**
- Students in either course will write the Situational Problem (C1) during class time, MEQ Reasoning (C2) exam will take place on Monday, August 4th, 2025 from 9:00 a.m to 12:00 p.m in person at Macdonald High School.

Cost:

3-week tutorial including exams = **\$300.00**

Math Bridge Program 3-week Course CST to T&S or CST to SN
