### Requirements and considerations

The LBPSB Summer School Program 2025 is offered online. Students who would like to participate in the summer program must:

- Have access to their lbpearson.ca Google account.
- Have a functional headset (preferably USB) with microphone. The combination of earphones and an integrated mic will also suffice.
- Be comfortable using an online platform to communicate with a teacher, send and receive assignments.
- Have access to an up-to-date personal computer with broadband connection capable of running the latest version of Chrome Web Browser.
- Have access to a personal device (such as a smartphone, tablet, or webcam) that can take clear pictures and upload them online.

**\*\*Students may only register for a summer course with a failing grade, a minimum grade of 45% and with permission from their home school.\*\***

## Secondary 1 and Secondary 2 Courses

### Course Fees

English Language Arts (632-106) .....\$190.00

French Second Language (634-106) .....\$190.00

Mathematics (563-126) .....\$190.00

Students will be allowed to register for a maximum of two courses.

Courses will only be offered where numbers warrant it. Class schedules are divided into two sections, **8:30-10:20 a.m** and **10:30-12:20 p.m.**

Exams/evaluations will take place online during the 2-week course.

### Absences

Summer school classes are designed to maximize the amount of time available to cover as much of the necessary curriculum. It is important that students attend all classes.

*After three absences, a student will automatically fail the course and will be removed from summer school. Attendance is taken daily and phone calls are made home for any students not logged on.*

### Course Fees

Course fees reflect program duration and number of exams. No refunds will be awarded after the 1st day of classes.

### IEP

Should your child have an IEP, please email a copy (from the current year) of the document to [summerschool@lbpearson.ca](mailto:summerschool@lbpearson.ca) before their first class.

**Please note**, the intent of summer school is to provide students with remedial support to prepare them to successfully complete course requirements the following year. **Summer school results will not have an impact on the student's final report card mark**; parents will receive a report of summer school completion that includes a pass/fail designation.
