

Dear parents/guardians,

Earlier this week a technical incident occurred involving a LION bus requiring intervention by municipal fire services. The authorities are currently conducting an analysis in collaboration with Transport Canada in order to better understand the circumstances of the incident. As a precautionary measure the Ministry of Education has advised all school boards that certain models of Transco Lion Electric busses need to undergo inspection of their defrosting systems as a precautionary measure. As a result, students on the following bus routes will not be receiving transportation services on Friday September 12th. Only the routes below are affected, all other bus routes will be operating as usual on September 12th. Families will need to plan accordingly for transportation to and from school for their children.

List of busses

Bus #	School 1	School 2
1	RIVERVIEW/VERDUN	LCCHS
2	RIVERVIEW/VERDUN	LASALLE JR/SR
