THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS:

#### **EDUCATION ACT**

**1.** Section 3 of the Education Act (chapter I-13.3) is amended by adding the following paragraphs at the end:

“The right to free educational services provided for in this section does not extend to services provided within the scope of special school projects determined by regulation of the Minister or to school activities determined by such regulation, to the extent and on the conditions provided in the regulation. However, the right to free services does extend in all cases to administrative fees such as selection, file opening and examination fees as well as staff training fees.

Despite the fourth paragraph, schools may require a financial contribution for a service provided within the scope of a special school project only if they offer the choice of an educational pathway exempt from such a contribution. This paragraph does not apply to schools established under section 240.”

**2.** Section 7 of the Act is amended

(1) in the first paragraph,

(a) by inserting “the implementation of programs of activities or for” after “required for”;

(b) by inserting “, except in the cases provided in the applicable basic regulation” at the end;

(2) by replacing the second and third paragraphs by the following paragraphs:

“The instructional material referred to in the first paragraph includes laboratory equipment, physical education equipment, art supplies and technological devices.

The right of free use does not extend to documents in which students write, draw or cut out, nor to material for personal use, except documents and material specified by regulation of the Minister and to the extent and on the conditions provided in the regulation.

“Material for personal use” includes school supplies, such as pencils, erasers and day planners, material for personal organization, such as pencil cases and school bags, and clothing items, such as school uniforms and physical education clothing.”

**3.** The Act is amended by inserting the following section after section 75:

**“75.0.1.** The governing board is responsible for approving any financial contribution, proposed by the principal, required under section 3, the third paragraph of section 7 or the third paragraph of section 292. Before approving any contribution, the governing board shall take into account the other contributions that it has approved or that are being proposed to it.

The proposals relating to contributions required under section 3 or the third paragraph of section 7 shall be developed in collaboration with the teachers and be accompanied by a justification for the nature and amount of the required fees.

A required contribution may not exceed the actual cost of the good or service concerned.”

**4.** Section 77.1 of the Act is amended

(1) by replacing “mentioned in the second” in the first paragraph by “referred to in the third”;

(2) by replacing “, on the principal’s proposal, a list of the objects mentioned in the third” in the second paragraph by “the list, proposed by the principal, of the material for personal use referred to in the fourth”;
