Bilingual Program

At Christmas Park Elementary School, we believe in a student-centered approach focused on meeting the needs of each student. Our innovative program uses technology as one of the many pedagogical tools to engage our learners in their educational journey. In addition, Christmas Park has a strong and thriving Music, Drama, and Arts program. It allows students to express and showcase their talents, creativity and strengths during our annual Broadway musicals, Art Gala, Talent Show, and French historical theatrical plays.
