ZONES DE FRÉQUENTATION

Le territoire de la Commission scolaire Lester-B.-Pearson est divisé en plusieurs petites régions géographiques de recrutement appelées zones de fréquentation, figurant au **plan de transport scolaire** qui se retrouve sur le site internet. L'adresse du domicile et la zone de fréquentation déterminent l'école attitrée. Vous pouvez également consulter le plan de transport scolaire en entrant votre adresse dans le logiciel des zones de fréquentation des écoles de la CSLBP à ou vérifier les zones de fréquentation spécifiquement désignées sur la carte par les chiffres entre parenthèses sous le nom de chaque l'école.

ATTENDANCE ZONES

The territory of the Lester B Pearson School Board is divided into numerous small geographical catchment areas known as Attendance Zones. Choice of school is dependent on home address and Attendance Zone. **The LBPSB Transportation Plan** defines school Attendance Zones which can also be viewed by inputting your address into the LBPSB school attendance zone software. For a quick reference, you can also view the specific Attendance Zones designated for each school, as indicated on the map by the numbers in brackets under the name of the school.
