Welcome to our CWA community!

Here at Children's World Academy, our goal is to assist and encourage children entrusted to us, to make connections between our renowned International Baccalaureate (IB) curriculum and the "real world" in which we all live. As students make these connections, engagement soars, learning deepens, and true success is achieved!

It is my genuine pleasure to work with the skilled CWA staff, dedicated parents, and the supportive broader community, as we join forces and enhance the academic, social and emotional growth of our amazing students. Year after year, the results speak for themselves, as an exceptionally high number of our graduates are accepted into highly sought after enriched high school programs. Bravo, team!

On behalf of the staff, I wish to thank you for your interest in our school and look forward to meeting you and sharing with you more information about the exciting and engaging IB program we offer here at CWA!

Kindest regards,

A. Geller
Principal
