

# BEACON HILL

*Our mission is to create a dynamic learning environment that encourages each child to develop to his or her full potential. We are committed to creating an atmosphere that fosters intellectual curiosity and actively involves students in developing strong work habits, critical thinking skills and promoting social awareness. By creating strong partnerships with parents and other community members, we provide opportunities for students to link classroom experiences to the world outside. Our goal is to graduate well-rounded, bilingual learners who are prepared to meet the challenges of the 21st century.*

*Our vision is to have a vibrant, caring school community that encourages a commitment to excellence through the development of the whole child.*

## *MIND*

- To encourage each student to reach their full academic potential.
- To create bilingual students who are confident speaking, reading and writing in both official languages.
- To offer Spanish as a third language, so that students have the option to become trilingual.
- To nurture critical thinking and problem-solving skills.
- To engage in project-based learning while using a variety of technologies.
- To acquire concepts in Math and Science through inquiry-based learning.
- To develop creative minds through Music, Arts and Drama.
- To broaden student awareness of future academic and vocational opportunities.

## *BODY*

- To instill positive attitudes towards health, fitness and wellness.
- To expose students to a variety of activities through physical education, intramurals, and Board-wide tournaments.
- To explore outdoor physical activities year-round.
- To introduce students to yoga and movement.

## *SOUL*

- To provide a safe environment where differences are respected and individual talents are discovered and nurtured.
- To develop responsible and compassionate students.
- To provide opportunities for leadership and student initiatives.
- To address student anxiety and stress through mindfulness practices.
- To create confident students who are willing to take risks.
- To establish links within the community.
- To connect with nature through various environmental projects.

### *What makes Beacon Hill unique?*

Beacon Hill Elementary offers students the opportunity to experience a high-quality French Immersion program. Since opening its doors in 1966, Beacon Hill has grown into a school known for its strong French program led by a team of dynamic, experienced, and dedicated teachers.

Beacon Hill's academic, arts and athletic programs promote lifelong learning, critical thinking, and creativity. Our students are involved in a variety of extra-curricular activities, athletic tournaments and exciting field trips.

At Beacon Hill, there is a focus on the use of technology, facing and overcoming challenges as well as the development of respect for oneself, others and the environment.
