

Caitlin Lindstrom-Milne, Illustrator and tattoo artist

My name is Caitlin Lindstrom-Milne and I am an illustrator and full time tattoo artist. I spend my time being able to express my creativity not only on paper, but on clothing, coins and people.

I have been drawing ever since I was a little girl. I had the pleasure of being in the advanced art class in Westwood Senior with Mr. Bougie. He was one of the kindest teachers and had always allowed me to express my creativity and pushed me to the best of my abilities. He was the one who guided me in the decision to attend the Illustration & Design program in Dawson College in which he had no worries I would get in.

I am so grateful that he believed in me because after graduating from Dawson, I had the opportunity to learn how to tattoo and now have my own successful private studio. I spend most of my time tattooing delicate floral and animal designs on my amazing clients. I even had the opportunity to tattoo a few teachers from the LBPSB, I even have had the chance to tattoo a few of my own teachers from Westwood Senior. It was such a fun way to catch up. As my business grew, I was reached out by the Royal Canadian Mint in which I now have had the chance to illustrate 3 of their coins. All of these opportunities have shaped me into the person I am today.

I want to thank my family who have always supported me and my friends and clients who continue to support me. I want to give a little shout out to Mr. Benwell, Ms. Sanders, Ms. Champagne and Ms. Horrocks who have a special place in my heart as they made high school a little easier on me.

I can't wait to continue to grow and I would love it if you'd come on the journey with me.
