

Jamie Mariani and Brittany Zakrzewski Co-creators of Royal Blush Apparel

We are so excited to introduce ourselves! Our names are Jamie and Brittany, co-creators of Royal Blush Apparel. A custom printing and promotional company located in Pointe-Claire Village. We have been open for 4 years as a business but best friends since we met in elementary school at Saint-Anthony's Elementary School.

We both attended different high schools, Jamie attended Saint-Thomas High School and Brittany attended John Rennie High School. It feels like a lifetime ago, graduating in the class of 2009, but also just like it was yesterday that we were walking those hallways. We both had amazing experiences and will always remember the special teachers that made an impact on our life. Special shout out to Mr. Murray from John Rennie High School who always made learning fun and was always there before and after school to chat.

The support and kindness from the teachers at LBPSB made us feel like we could achieve anything and reach for our dreams. Teachers truly do leave a special mark on you that lasts for a lifetime.
