

MUSICAL THEATRE

At St. Patrick Elementary

The Musical Theatre Program at St. Patrick Elementary School is an extra-curricular program which takes place after school. Interested students in Grades 3 through 6 join through an audition process, and rehearse from the fall to the spring several times a week. This program gives students a chance to experience the world of theatre and learn skills that help them develop in many ways. Participants contribute to the production both onstage and off. Shows performed in the program are from MTI's Broadway Junior Collection, Rodgers and Hammerstein's Getting to Know Collection, and Concord Theatrical's Young Performers Collection.

The program began at St. Pat's in 2007 with *Annie Jr.* Since then, other titles performed include *Seussical Jr.*, *Aladdin Jr.*, *Beauty and the Beast Jr.*, *The Music Man Jr.*, *Getting to Know... Once Upon A Mattress*, among others.
