

# FHJR OUTDOOR CLASSROOM

The background features a light beige color with decorative elements. In the top-left corner, there is a white circle partially cut off by the edge, with several blue dashed lines flowing downwards and to the right. In the bottom-right corner, there is another white circle partially cut off, with several blue dashed lines flowing upwards and to the left. A solid orange line curves from the bottom-left towards the bottom-right, passing under the text.

+ Our Outdoor classroom is a space where students learn, explore and play.

Our Outdoor classroom is located on our school property. We are fortunate to have a forest in our back school yard. We also expanded this year and included our Kindergarten school yard in the front as part of this project.

A vertical wooden sign made of dark brown planks, standing in a forest with autumn foliage. The sign features French text in white and green cursive, decorated with small painted leaves and mushrooms. The background shows trees with yellow and orange leaves and a wooden structure to the left.

Dans notre forêt ...

touche le vent

sens la terre

goûte la pluie

observe la vie

écoute les arbres

qui nous parlent

sois en harmonie!
