St. Edmund Values

Our Vision

Our vision is to empower students to develop a growth mindset, become lifelong learners and active global citizens. The core values of the school are respect, inclusion and perseverance.

Mission Statement

Our mission is to provide an innovative and nurturing environment where all students can attain their full potential. At St. Edmund, we strive to create an environment where:

Students are encouraged to develop their critical thinking skills, become independent thinkers, to develop a passion for learning and be creative.

Students and staff create a community of compassionate, well-rounded and respectful citizens.

Strong partnerships are developed between the school, families and community.

A culture of health and wellness is regarded as a priority.

Community School

PPO/Home & School

The PPO/Home & School is an organization of parent volunteers who work in cooperation with the principal and school staff to raise funds and organize activities that help to enrich the educational, social, cultural and physical experience children receive at St. Edmund Elementary School. The PPO/Home & School is open to all parents who wish to make a contribution to the school.
