The Transition to Kindergarten Made Easier

- *Students already know the school
- * Students already know the lunch, daycare and/or bus routines
- *Students already know the kindergarten teachers from joint activities with K4 and K5 students
- *Students already know the Physical Education and Music teachers
- * Reduces the anxiety and the stress of starting Kindergarten because they practice for a whole year first in K4.

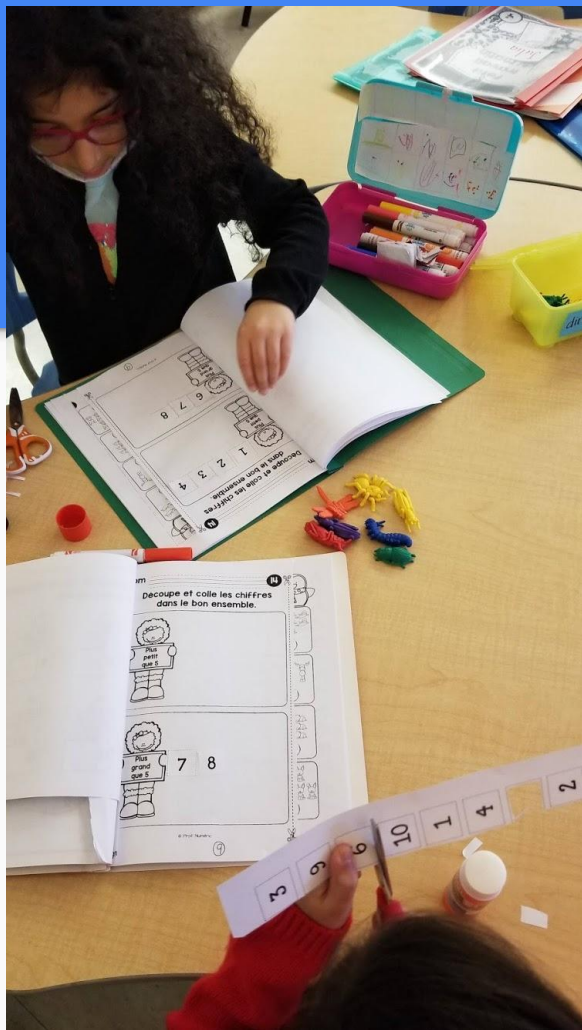

K5: Maternelle French Immersion Program

In Kindergarten your child will follow a French Immersion program 85% of the instruction will be in French. This means activities, lessons and projects will be done in French. Physical Education and Music will be in English.

The teachers use a variety of tools to help students develop and understand the French language. They teach through, play, song, stories, vocabulary lessons, etc. and expose them to the French language to help develop early comprehension and communication skills.
